

D2 Lamp

DEUTERIUM LAMP

Al-Hami
Medical Equipment LLC

UV spectral lamp with long life (2000 hours in average), high stability and high intensity.

We offer compatible lamps for the major equipment manufacturers.

Specifications

HAMI's compatible D2 lamps have the same specifications as the original lamps, so you can switch from the original ones smoothly.

- Output variation (30 minutes after lamp ignition): Drift (variation of light output with passage of time): $\pm 0.5\%/h$ Fluctuation (Max variation of light output in short period): 0.1% P-P
- Average life: 2,000 hours

Quality

Manufactured in ISO9001 certified factory with reliable "Japan Quality".

Lineup

We offer a wide range of compatible D2 lamps that are suitable for instruments from leading analytical and measurement instrument manufacturers worldwide such as **Hitachi, Agilent, Shimadzu, Thermo Fisher** and **JASCO**.

Cost Benefit

By using compatible lamps, you can achieve the same specifications as the original lamps while keeping costs low.
